

MAXIMISING TEST RESULTS YEARS 2, 4 & 6

\$41.95 each
(PB+CD)

This series has been written in response to requests from teachers for material to help their students to practice for the NAPLAN testing well in advance of the actual tests in years 3,5 & 7. These books include annotated activity pages that break down the key skills & knowledge assessed in a typical NAPLAN test. Students are guided through work sheet questions that include tips such as 'things to know' & 'hints', helping them to understand the test format & what each question is asking. The pages for each topic & test are also included on the accompanying CD-ROM. They can be used on an interactive whiteboard or computer.
